

# Move Right

Lil Tjay

I got some real goons doing time  
I know a real nigga finna sign  
I know some big boss, gettin' big bag  
'Cause a real sauce don't decline  
I got a big piece on my neck  
You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right when the time

I know some real goons doing time  
I know some real niggas 'bout to sign  
I know some big boss, getting big check  
'Cause a real sauce don't decline  
I got a big piece on my neck  
You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right when the time

I had to boss up and get on my man shit  
Too old to be taking them chances  
Wasn't settling being a broke boy  
All this drip in my body, expensive  
Swear I really came up from the trenches  
I remember us hopping them fences  
I remember the day I got sentenced  
I remember some shit I can't mention  
Always knew I was one, I was destined  
Popped out new designer I'm dressed in  
TYB on yo' shorty she sextin'  
Throw a hundred inside, I'm investing  
Getting money in something I'm best in  
Don't compare to other contestants  
Commissary I'm sending through West Ends  
SB niggas know what I'm repping  
No, no...  
Smelly Drive on chain  
These streets no games  
Fuck all this fame  
I got trauma inside of my brain  
Getting this money I gotta maintain  
Don't you run up on me I got aim  
R.I.P. right in front of your name  
We ain't really with playing them games

I've been waiting a long, long time  
That's the reason I'm on my grind  
Couple niggas tried to block my shine  
Work hard, then I got what's mine  
I've been waiting for a long, long time  
Now stars tryna call my line  
Lifestyle with that fake stuff and the fake love we gon' all be fine

I got some real goons doing time  
I know a real nigga finna sign  
I know some big boss, gettin' big bag  
'Cause a real sauce don't decline  
I got a big piece on my neck

You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right with the time

I know some real goons doing time  
I know some real niggas 'bout to sign  
I know some big boss, getting big check  
'Cause the real sauce don't decline  
I got a big piece on my neck  
You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right when the time

I'm out of breathe 'cause I'm chasing these bands  
Had a 100k right in my hands  
17 bitch I know I'm the man  
I'm chasing this money, you don't understand  
I was down on my ass, had to bust a lick  
Someone go tell the haters to suck a dick  
Bitches all on my body, I'm loving it  
If I fuck her one time then I'm dubbing it  
Heard niggas really coming for my neck  
I heard they second guessing who the best  
Heard niggas really out tryna flex  
I heard what you got and I wasn't impress  
I'm just a hungry nigga from the X  
You just a dummy nigga, making less  
Niggas gon' hate to see a nigga winning  
They watching my body, I keep me a tech  
Bitch in the kitchen whipping like a chef  
I done got tunnel vision, it's the best  
Ima just keep on working and progress  
Ima just keep on juggling and finesse  
I don't know why these niggas just hate on me  
You don't think it's my time just wait on it  
I don't care better get out of my way homie  
You ain't tryna get shot on yo face shorty I...

I got some real goons doing time  
I know a real nigga finna sign  
I know some big boss, gettin' big bag  
'Cause a real sauce don't decline  
I got a big piece on my neck  
You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right with the time

I know some real goons doing time  
I know some real niggas 'bout to sign  
I know some big boss, getting big check  
'Cause the real sauce don't decline  
I got a big piece on my neck  
You know the jewels dance when it shine  
They hate to see a young nigga flex  
I had to move right when the time
