

Move

Lil Tjay

She just want a check from a nigga, nothin' less from a nigga
You can't flex on a nigga like me
Bitch, I know the game, so this life, I can't complain
Don't compare us to no lame, whole gang icy
And I be feelin' in my groove
D'USSÉ got the night goin' smooth
And I ain't got nothin' to lose
Just tryna tell you that I like the way you move

I like the way you move, move, move, move, move, move
Girl, a nigga like the way you move, move, move, move, move, move, move
Girl, I like the way you move, move, like the way you move, move
Girl, I like the way you move, move, move, move, move, move, move, move

Nothin' less from a nigga like me (Like me)
It's gon' take time, my nigga, come and mess with a nigga
Keep it real when I keep you icy (Icy)
She ask if I'm rollin', I said "Bitch, I might be"
Superstar status, Glock under the white tee
Shawty sayin' "By me," you gettin' the right thing
Baguettes on your chest make your whole body bling
Freak ting, said you like girls, bitch, I'm on the same thing
Ride me like a rollercoaster in the backseat (Woo)

Want it? All you gotta do is ask me
