

# Project Walls

Lil Tjay

Makin' me go crazy now, oh, I know  
Yeah, I want it, I-I-I-I, I wanna know

Roaches, project walls, dead broke, I've seen all  
Tryna change my life, damn near tried it all  
Know some want me dead, locked up in the feds  
I strive for better

'Member when I was broke  
Runnin' 'round hungry, no coat  
Probably fried or put up on the dope  
Never had money, so I got the bag and went dummy  
Had shit to cop up with my notes, freestylin' quotes  
Came from the bottom, it's possible, over work was my approach  
These niggas ghosts  
Stick to the ones that gon' love you for you, if not, you're gon' be toast  
Niggas be jokes, gotta stay woke  
They want my spot, that's why I do the most  
This from the dome, sometimes, I turn to wrong  
But I can't leave it 'lone, it got me coast to coast  
Still check in a lot to make sure mama proud  
We clearin' two-hundred fifty, Rolling Loud  
Been sellin' out bigger shows, bigger crowds  
Still, I don't know how  
My fans tell me they miss me, "Tjay, can you drown?  
Please don't play around  
Focus on your sound, put on for the towns"  
Tryna reach places I can't pronounce  
Pockets clutchin', been up, I can't frown  
Thank you, Lord, why You do it for me?  
Know it's many you see, they like never go down

Roaches, project walls, dead broke, I've seen all  
Tryna change my life, damn near tried it all  
Know some want me dead, locked up in the feds  
I strive for better

Those just federal walls, I've seen that before ('Fore)  
I'm so gone, on God, eyes don't cry no more (More, oh)  
Fake shit tear me down, all the way to my core (My core)  
Play for the second time around, no, I don't need that ho  
Tell 'em to try it again, them niggas, they thought I was finished, yeah  
Pullin' right up in a Benz, I gotta make sure that they hear me, yeah (Ooh)  
Tell 'em, "I don't need no friends," I'm runnin' up all the millions  
Got my back, I don't need no hand, we swerve on all them niggas  
Have 'em spray the fan in front of my fam', I have 'em up all the switches  
I ain't showin' my hand, part of my plan, I'm handlin' all the business  
And I handle her too, they just saw me down, I've seen that before  
I heard gun shots 'round, I'm not worried no more

Roaches, project walls, dead broke, I've seen all  
Tryna change my life, damn near tried it all  
Know some want me dead, locked up in the feds  
I strive for better
