

Sad

Lil Tjay

It's so sad, oops my bad
Started getting money and these niggas so mad
It's so sad, oops my bad
Started getting money and these niggas so mad

It's so bad, how they back at it again
Niggas so mad that I got money to spend
Love in the air, let it blow in the wind
Lil nigga you a joke, I be whipping the foreign
Why you so mad, my bad
Oooooo, didn't mean to make you sad
I wish I could take you back
But you switched for a few racks
Gave you shit you never had
Now you angry
All that hating do not phase me
All the money on a daily
Pull up on you in a new drag and it's too fast
And I know I got your boo mad, he ain't doing bad
I be counting all this new cash, but you knew that
I could put you in a new bag, and the shoes match

It's so sad, oops my bad
Started getting money and these niggas so mad
It's so sad, oops my bad
Started getting money and these niggas so mad
