

I don't give a fuck what a bitch nigga thinks
I don't give a fuck what a bitch gotta say
Lame ass hoe get the fuck out my face
Blunt full of straw yeah I puff in her face
Pull up to the club hoe staring at my face
I don't have to talk 'cause the hoe spit game
Fuck the chit chat need money in the safe
My kush real loud like I'm busting the K

Dumb ass boys want nothing but fame
Broke ass nigga lookin' dumb in the face
Tryna be a thug with a gun on your waist
Sit the fuck down smoke a blunt to the face
Girls choose up when I come in the place
Lame ass niggas they be loving the hate
Chilling with my squad I don't fuck with the lames
When a lame nigga bitch get fucked in the face

Real nigga shit that's all I gotta say
I don't give a fuck what a bitch nigga thinks
I don't give a fuck what a bitch gotta say
Lame ass hoe get the fuck out my face
