

# Alien Invasion

Lil Tracy

Imma alien  
It's a fucking invasion  
Imma alien  
It's a fucking invasion

No we not the same, Imma alien  
Yeah I'm from outer space, Imma alien  
Pulled up in a UFO, they like "woah"  
Pulled up in a UFO, they like "woah"  
Nascar ridin', yeah I'm riding in my spaceship  
I'm from another planet, think I'm an alien  
Think it's time to go down, I'm ready for landing  
Me and Tracy pulled up like an invasion  
It's a fucking invasion  
Nobody can save 'em  
It's a fucking invasion

Nobody can save 'em  
(Nobody can save 'em)  
Everyone you with not cool and you lame too  
(Don't got nothing to say to you)  
Pulled up in a Benz, got no roof  
My diamonds they so cold, they like snow  
I'm an alien, no Earth is not my home  
We pulled up in a UFO  
All they can say is "woah"

No we not the same, Imma alien  
Yeah I'm from outer space, Imma alien  
Pulled up in a UFO, they like "woah"  
Pulled up in a UFO, they like "woah"  
Nascar ridin', yeah I'm riding in my spaceship  
I'm from another planet, think I'm an alien  
Think it's time to go down, I'm ready for landing  
Me and Tracy pulled up like an invasion  
It's a fucking invasion  
Nobody can save 'em  
It's a fucking invasion
