Lil Tracy

(It's Baeboy the mixtape, nigga...)

All I want is bands, all I want is bands
All I want is bands, all I want is bands
All I want is bands, all I want is bands
All I want is bands, all I want is bands

All I want is bands, and expensive brands
All I want is bands, I don't want romance
Catch me in France, foreign bitch in the Benz
Bitch sleep on me, bitch I'm not a xan
All I want is bands fillin' up my pants
Backwoods shawty, fill it up with grams
I don't got no friends, all I got is fam
All I smoke is kush, I don't pop no xans
I like Prada, I like Gucci too (yah)
Groupies choose, I make the coochie loose (yah)
I want bands on bands on bands
Bitch, I shine just like a lamp (just like a lamp)
That bitch she mean, she just like damn
She gon' fuck if she get the chance (s-s-souljahwitch)
Tattoo on my face like Gucci Man'
Tell you like 'dis, all I want is bands

All I want is bands, all I want is bands
All I want is bands, all I want is bands
All I want is bands, all I want is bands
All I want is bands, all I want is bands
