I'm the hottest in the game, sippin' tea with the damn sun  
I don't need cash, bitch my brain is a mansion

Fuck all these niggas talking like they genius  
A swing of my sword and he crying, bleeding  
Bitch I am time so it's my season (My season, my season)  
Step away from me if you like breathing  
I'm always awake, I don't like sleeping  
Asakufox shawty, in the cut chiefin' (Chiefin')

Samurai nigga come get chopped down  
Cruisin' through my city with the top down

I was hunting rap niggas, finna pounce now  
Ain't no saving 'em, I'm finna put my blade in 'em

Shouts out all my niggas

Asakufox shawty, I'm for real, I don't play  
Bitch my clock hit 3 a.m. and I'm still wide awake  
Playin' with my blade but I never cut myself  
Man these niggas don't love music, they just want that fucking wealth  
I'm in the cut lurking, I mastered the art of stealth  
Stalking yo' every move  
I'm plottin' on yo' health  
When the day comes, put the blade to yo' tongue  
Then every word you say will be silenced by the blood  
I used to be a human, I'm a fox now  
Asakufox, soldier of the Kami-shima Peace Army  
Samurai nigga come get chopped down  
Ain't no saving 'em, I'm finna put my blade in 'em  
Cruisin' through my city with the top down  
Pack of Backwoods blow a ounce down

Well done Asaku, you have passed the first test
