

# Ashamed

Lil Tracy

(It's Baeboy the mixtape, nigga...)

You niggas should be ashamed...

You niggas should be ashamed, I know these hoes feel the same way

Hop out the Escalade, Gucci Belt around my waist

Niggas calling me fake, just doing what they cain't

Yeah I could fuck her today, but I'ma take her out on a date

Saying you chasing these hoes, you chasing the wave

I'm Yung Bruh, I'm on the come up

I'm hot like the Summer, rolling blunts til the Sun up

Your main bitch wanna fuck, I might tell her no

'cause everybody knows, don't fuck with hoes

I just want dough, commas and zeros

Hop off the plane, hop on the stage

You niggas love to hate

You niggas should be ashamed...
