

Bowser

Lil Tracy

Yeah, yeah, yeah
Souljahwitch
Vampboiclique
Lil Tracyyy

We couldn't make it to the bed
Now we fucking on the counter
Fell in love with a princess
I'ma steal your heart like Bowser
I ain't even tryna' flex
I'm richer than any nigga that you met
I ain't even tryna' flex
I'm richer than any nigga that you met
Let's go
I can't feel my face
I can't feel my face
I can't feel my face
I can't feel my face

I'm on my way to outer space
With my hoe in a UFO
I don't really got nothing to say
Cause they already know
Look at my toes, Ricky O
Can't nobody say I owe
They tryna say I fell off, yeah
But I've been laying low
I switch clothes like I switch hoes
I switch hoes like I switch flows
Can't move my wrist lil bitch it froze
Lil bitch it froze
I got a coupe in the hills
Why do they hate everything that I do
Suck a dick kill yourself too
Suck a dick kill yourself too
I've been sipping on lean like Juice
I've been popping these beans by the two
I've been fucking these hoes by the two
I've been fucking these hoes by the two

I said
Vampboiclique
Vampboiclique
Lil Tracyyy
Souljahwitch

We couldn't make it to the bed
Now we fucking on the counter
Fell in love with a princess

I ain't even tryna' flex
