

Ginseng  
Shout out Ginseng  
You know how we fuckin' comin'

Why the fuck you still poppin' them xans?  
She poppin' that pussy I'm poppin' some bands (I'm poppin' some bands)  
I got that girl in a trance, freaky lil' bitch suck my dick through the pants  
By the way, these bitches Amiri (Amiri)  
By the way, you lil' niggas should fear me (Should fear me)  
By the way, these bitches Amiri (Amiri)  
By the way, you lil' niggas should fear me (Let's go, let's go)  
By the way, I got all type of hoes  
By the way, I got all type of flows  
Fucking this bitch, yeah I'm takin' her soul  
I can't move my wrist, swear to God it's too froze (Brr)  
Fuck with my niggas, they breakin' your bones  
We not fam 'cause my name in your phone  
You was not with me when I was alone  
By the way, did this shit on my own, yeah, yeah

Yeah, yeah, yeah  
Okay, let's go

I can't get a job, I got tats on my face  
I used to be broke, like a motherfuckin' vase  
My white bitch a barbie, the booty is fake  
I'm hot like the sun, that's why they throwin' shade  
Dasani water right on my neck  
I'm in the flyin' saucer countin' racks  
I'm rich, undoubted, she throwin' it back  
I work harder than you, boy, that's why I got racks  
On the way to the bank and you know that I'm laughin'  
Get the fuck out my face if you not talkin' 'bout stacks  
I got tats on my face, she got tats on her ass  
Fuck first base, I'ma hit from the back  
I feel like J \$tash, all I do is relax  
I'm ballin' too hard, nigga, go check the stacks  
By the way, all my diamonds real (All my diamonds real), yeah  
Rest in peace my jeweler, that shit give me chills (That shit give me chills)  
Watch your back 'round these fuck niggas 'cause they get you killed  
And you still poppin' them xans, you deserve to be killed (You deserve to be killed)

Why the fuck you still poppin' them xans?
