

# Chiropract

Lil Tracy

I ain't finna buy my bitch an ass  
'Cause it's already fat, yeah  
Hit from the back, yeah  
Chiropract, yeah  
I step foot on the scene  
In some Alex McQueen  
I got some water on me (water)  
Look like I'm in the marines  
Living life fast, get out the way  
Or get swerved  
These bitches is trash  
Bet she would suck on a dick at church  
I'mma die  
A motherfucking boss  
20 inch rims on a hearse  
I'm not skinny anymore  
Eating so good that it hurts

I don't want that little bitch  
But I do want some sex  
Treat that bitch like my ex  
Yeah, I left her on read  
'Cause she fucking with Craig  
Take that tool out the shed  
Crack his head like an egg  
She asked me if I know Lil Uzi  
I said no 'cause I like to act boujee  
She gon' ride on this dick like Suzuki  
Pussy wet as a fucking jacuzzi  
Every time I pop out it's a movie  
I might mix the Chanel with the Louis  
I'm not goofy, I'm not rocking Gucci  
On the way to the top, excuse me  
She said I love you baby  
I said yeah ok  
I wasn't born yesterday  
Bitch  
I got lots of cake  
So I'm always baked  
Fuck out my face

I ain't finna buy my bitch an ass  
'Cause it's already fat, yeah  
Hit from the back, yeah  
Chiropract, yeah  
I step foot on the scene  
In some Alex McQueen
