

# Drunk Punx

Lil Tracy

I'm a punk star bitch I feel like Fish Narc

Drunk Punx 40oz on a Tuesday  
I really liked you, but it was just a phase  
Coming out when the moons out  
On the highway going fast with the roof down  
Drunk Punx 40oz on a Tuesday  
I really liked you, but it was just a phase  
Coming out when the moons out  
On the highway going fast with the roof down

I'm good at being a bad boy  
I'm a Goth Boi, I'm not a sad boy  
Tattoos on my neck and my face too  
Live life fast I wanna race you  
Drunk Punx, I get fucked up  
Maybe it was Tuesday, it was just us  
It was just us  
It was just us  
Maybe it was Thursday, it was just us

Drunk Punx 40oz on a Tuesday  
I really liked you, but it was just a phase  
Coming out when the moons out  
On the highway going fast with the roof down
