Lil Tracy

She give me brain like she stupid, she such a freak a leak  
A leak  
(Gren8 Beats)

Don't beef with me or with no one that be with me  
She give me brain like she stupid, she such a freak a leak  
Eat that pussy free  
EBT  
Diamonds cutting my wrist, I'm finna bleed  
Don't beef with me or with no one that be with me  
She give me brain like she stupid, she such a freak a leak  
Eat that pussy free  
EBT  
Diamonds cutting my wrist, I'm finna bleed

Boy don't beef with me, I'm eating shrimp  
All these diamonds, they dance like they strip  
New whip, all white like a brick  
Fuck a note, I'mma slide in that bitch like a slip  
She a freaky B  
Suck dick like Mickey D's  
Sipping some pink lean  
Ice on my pinky ring  
She know I'm stinky rich, but I can't give her anything  
These niggas wanna be fresh as me, they wanna be spring clean  
Hop out the back of the Jeep  
I spent ten racks in a week  
I got your hoe with me  
You don't even know she a freak  
You ain't got a check on me  
I keep the check on me  
She throwing that neck on me  
Brand new diamonds, they wet on me

Don't beef with me or with no one that be with me  
She give me brain like she stupid, she such a freak a leak  
Eat that pussy freak  
EBT  
Diamonds cutting my wrist, I'm finna bleed  
Don't beef with me or with no one that be with me  
She give me brain like she stupid, she such a freak a leak  
Eat that pussy freak
