

# Ghost

Lil Tracy

NeilaWorld

I'll wipe your tears before they fall (Fall)  
Don't believe them, it's not your fault (Fault)  
I hear a ghost inside my walls (Walls)  
I can't ignore the screams at all (All)  
The grass is greener on the other side (Other side)  
I'll meet you there, it'll be alright (Be alright)  
I saw a ghost inside my room last night  
I know that no one will survive

Live fast, die slow, that's how I roll (Roll)  
They didn't know my name a long time ago (Ago)  
Now I'm on the road at sold out shows (Shows)  
How did I live longer than my bros? (Bros)  
To front page of the magazines (Magazines)  
Champagne in the limousine (Limousine)  
I can't wait till I'm a memory  
Because they love you more, when you're not here anymore

I'm inked up, got a lotta tattoos  
Her dad told her that I'm bad news  
You know that he's right  
But you know what you like  
Baby, I'm by your side  
Now let's fuck all night  
Porsche truck speedin' down the avenue  
Skrr, skrr, skrr, skrr, right past you (Skrr)  
I feel most alive, in the night  
Baby, don't you cry  
I'll wipe your eyes

I'll wipe your tears before they fall  
Don't believe them, it's not your fault  
I hear a ghost inside my walls  
I can't ignore the screams at all  
The grass is greener on the other side  
I'll meet you there, it'll be alright  
I saw a ghost inside my room last night  
I know that no one will survive
