

Heart

Lil Tracy

Le-Le-Leesta

They say they want the old me, but I'm on some new shit
Same old jeans, thousand dollar jacket
I don't want my heart, you can have it
I fell in love with a bad bitch
Kissin' on my tattoos, in a Jaguar
Love hurts, and I know you have a few scars
Let my love heal you, I just wanna feel you
I wanna know the real you

I don't pop xans, I don't drink lean, you're my drug
Countin' up bands, in an foreign car, I'm finna pull up, yeah
Does she love me, or does she love me not?
She told me that I'm pretty, yeah I get that a lot
Doin' donuts in a parking lot
You're mine, whether you like it or not

They say they want the old me, but I'm on some new shit
Same old jeans, thousand dollar jacket
I don't want my heart, you can have it
I fell in love with a bad bitch
Kissin' on my tattoos, in a Jaguar
Love hurts, and I know you have a few scars
Let my love heal you, I just wanna feel you
I wanna know the real you
