

I Know

Lil Tracy

That bitch like me I know
Niggas wanna be like me I know
I know I know I know these niggas fake I know I know
You don't know who I know
Trap off Samsung and Iphone
That bitch like me I know
Niggas wanna be like me I know
I know I know I know these niggas fake I know I know
You don't know who I know
Trap off Samsung and Iphone
I know I know I know
I know I know I know

I know how bitches work
I know how niggas lurk
They wanna see you at yo' worst
They wanna see you in the dirt
These niggas hating I know
That bitch want me I know
Bet she just want to blow
Had to kick her out my door
No no
Can't fuck with no hoes
I know I know I know
Can't let them get to close
Got to stay up on my toes
Got to focus on my own
Got to stay in my zone
I know I know I know

That bitch like me I know
Niggas wanna be like me I know
I know I know I know these niggas fake I know I know
You don't know who I know
Trap off Samsung and Iphone
I know I know I know
I know I know I know

I know I know I know
My blood is full of strong
I can't trust no hoe she said she love me yea I know
I'm cooling with my bros we got Samsungs and iPhones
Don't tell me shit I know
You lame as fuck boy yea I know
I know I know I know
I know I know I know
That niggas act like hoes
I be cooling smoking dope
I'm staying on my toes 'cause they plotting yea I know
I know I know I know
I know I know I know
That bitch like me I know
Niggas wanna be like me I know
I know I know I know
These niggas fake I know I know
You don't know who I know
Trap off Samsung and Iphone

I know I know I know
I know I know I know
