Lil Tracy

Ever since I was 14 I've been smoking weed
Used to pour up Robitussin and pretend like lean
At my grandma's house I was so happy
Now I'm depressed smoking blunts tryna get money

So depressed smoking blunts feeling like Yung Lean
Depressed smoking weed sipping Arizona tea
In a couple years where everybody know me
Lil angel nigga, I'm so heavenly
Lil angel, Lil Tracy, Lil Tracy, I'm up next, I'm up next
Emo shawty on my lap, smoking princess dope
