

Like I Should

Lil Tracy

(Got me this beat from YoungKash)

Getting to this money like I should (plug, like I should)
Steady making plays like I should (like I should)
Make these hoes choose like I should
Like I should, like I should
Getting to this money like I should (like I should)
Steady making plays like I should (like I should)
Make these hoes choose like I should (like I should)
Like I should, like I should

These niggas hating on me like they should (like they should)
I don't give a fuck it's all good
Pretty boy Tracy, shorty told me I look good (I look good)
Imma put it on her like I should (like I should)
Young nigga pulling on some kush (on that loud)
Hop out the car and they look (and they look)
Looking fresh like I should, don't matter if I'm going out or w
alking through the hood (through the hood)
Getting to this money like I should (like I should)
I can't read these niggas like a book
They not gon' ride or die like they said they would (they would
)
I'm worried 'bout this gwuap like I should (that gwuap)

Like I should, like I should, like I should, like I should (ay)
Like I should, like I should, like I should, like I should (ay,
ay)
Steady making plays like I should (ay, ay)
Like I should, like I should
Like I should, like I should
