

Yes

It's Yung Bruh (It's Yung Bruh)
Fuck everybody, fuck everything
Fuck life, for real
Aye bruh bruh fuck you niggas man
Fuck you bitches too (It's Yung Bruh)

Bitch I'm Yung Bruh ten times out of ten
I could fuck your girlfriend
Drop a acid tab got my mind swerving
Shouts out to my ex she a pro with the neck
The weed that I smoke will put a hole in your chest
Gave your girl a kiss and she lost her fuckin' breath
You know I get it crackin' bitch I'm reppin' Star Trek
I sip Hennessy, I smoke hella weed
How you got a man but you still ain't texting me
Acid tablets on my tongue got me visualizing things
That I never fuckin' seen
The world fucked up people lie people cheat
So I stay with my blade lay a nigga six feet
Cops hatin' on me 'cause I'm black and six feet
I don't give a fuck 'bout what none of you niggas think
All you niggas clowns someone taught you how to think
Open up your eyes, you living a lie
Yeah you walk outside but you imprisoned in your mind
These bitches so dumb, man they hop from dick to dick
These niggas so dumb, man they hop from bitch to bitch (Fuck)
I'm really sick of it
Don't say shit to me (Nah) Don't say shit to me
I'm tired of you niggas, I'm tired of you bitches
I'm a young nigga just smoking on a spliff
Doin' what I do, I'm just livin' how I live
Fuck gettin' rich man I'm coming from the soul
Doin' what I'm told, sike, never that
Never been a bitch, never been a rat (Fuck that)
Stick with my clique Star Trek 'till the death ('Till the death)

I got bitches on me
But I'm still lonely
I got bitches on me
But I'm still lonely

Bitch I'm Yung Bruh I got bitches on me
But I'm still lonely (But I'm still lonely)
Made a promise to myself that I'll never fall in love
These bitches all the same they just want sex and drugs
Walkin' through the forest, I fell in love with the trees
I don't give a fuck, I'm just doin' me
Bitch I'm Star Trek man shouts out Lil B
I'm based 'till I die man I'm based 'till I'm deceased

I don't give a fuck what you niggas gotta say
I don't give a fuck what you niggas gotta say
