

My Bitch

Lil Tracy

My bitch, she bad as a bitch
Your bitch choosin' on my bitch
Your bitch choosin' on my bitch
Your bitch choosin' on my bitch
Pull up to the club and hop out the lyft
They flashin' pics, yeah
I stunt I flex, yeah
My bitch, she bad as a bitch
Your bitch choosin' on my bitch
Your bitch choosin' on my bitch
Your bitch choosin' on my bitch
Pull up to the club and hop out the lyft
They flashin' pics, yeah
I stunt I flex, yeah

All I do is work, work, work, work like Rihanna
I got two hoes kissin' like Christina and Madonna
Look at my mouth, ice
Gettin' mouth from your wife
I'm a lil pretty ass nigga
I'm a lil pretty ass nigga
Aye, Ed Hardy my jeans
She geekin' on beans
Pull up to the scene, I'm makin' 'em scream
My bitch so bad, these hoes want her, not me
Wait, hol up
That's okay with me
My bitch so bad, she breakin' the law
I had to cuff that lil bitch
She suckin' my dick
Just like a Glock, I bust on that bitch
I want some money, on top of my money
I want the cheese on my chips
I could never fight no girl, but yeah, I hit that bitch
