

Tracy, Kray, Tracy, Kray
I said I put it on my vamp, nigga
Woah
Tinted up windows
I tinted up the fucking windows
Tinted up windows
(Vampboiclique)
Yeah, yeah, yeah, yeah

Tinted up the windows
I'm in the backseat counting dough (Woah)
Tatted on my throat they think a nigga sold a soul (No)
I just bought a Glock and the bullets hot like Satan
Shawty gave me top, then I cut communication (Communication)

I got rich, I know they hatin'
Pulled up with my vamp in somethin' fast, bitch, we racin'
I got rich, I know they hatin'
Pulled up with my vamp in somethin' fast, bitch, we racin'

Pulled up with my vamp in somethin' fast, know we racin'
Tramp stamp shawty, bustin' it open, push her face in
Slit your face in, countin' faces
Me and Tracy back to back, my dawg, know we caged in
Know we locked in, like a lock, damn
Shawty wanna hop in, shawty gon' top then
It's a vamp night, diamonds scratch like ice
Red with the Sprite, me and Tracy [?]
