I'm sippin' on Tris, Tris
I pour up a deuce, deuce
Maison Margiela pants
I been stacking my bands
Took a flight to Japan
Pour up that drank as soon as I land
Baby girl, take my hand
Let's fly to another land

I'm in Tokyo and I jump out the seal
Bad bitch on some Rick Owens heels (Huh)
My brother died, I don't know how to feel (Huh)
My brother died, I don't know how to feel
But fuck it we ballin' (Uh-huh)
I'm so totally awesome (Yeah)
I bought Maison Margiela (Maison Margiela)
I forgot how much they cost (Yeah, yeah)
I get paid all the time (I get paid all the time)
Keep a gun on my thigh (Keep a gun on my thigh)
Told that bitch, I was shy
Then I hit from the side (Yeah, yeah)
Diamonds wet like a faucet
Had it bag, but you lost it
Baby, I'ma be honest
I got too many options, yeah (I got too many options)
