

See U In Hell

Lil Tracy

Tell me if you wanna be with me, me, down, down, beat it
Tell if you wanna go with me, me, down, down, me
Tell me if you wanna be with me, me, down, down, beat it
Tell if you wanna go with me, me, down, down, me
Tell me if you wanna be with me, me, down, down, beat it

Why do they do wanna be me, why can't just be theyselves?
I know life isn't easy, baby, I just wanna help
Rest in peace to the old me, I'll see you in hell
Rest in peace to the old me, I'll see you in hell
There's something in the air, baby, do you feel it?
Bottles up in the air, baby, it's the weekend (Damn right)
I know life isn't fair, but tonight let's just pretend
I know life isn't fair, but tonight let's just pretend (Let's just pretend)

Let's pretend (Pretend, yeah)
I'ma be Kanye (I'ma be Kanye)
You could be Kim (Yeah, you could be Kim, yeah)
Swear to God, I got demons (Swear to God, I got demons)
So I'm ridin' in demons (So I'm ridin' in demons)
Bad bitch, she vegan (She vegan)
But she still gon' eat it
Yeah, yeah, yeah-yeah, yeah
And girl, I don't wanna see you with nobody (With nobody, yeah)
I know you don't wanna see me with nobody (With nobody)
And I would shoot for you, like Clyde you my Bonnie (Grr)
This ain't no supergroup, we pull up in a Mazzi (In a Mazzi)
She look good when she wake up (Damn)
Talking 'bout with no makeup (Okay)
Girl, I fuck with you, straight up (Yeah, yeah, yeah)
And we don't fuck, we make love
Ooh, this girl so dangerous, ooh, this girl so dangerous

Why do they do wanna be me, why can't just be theyselves?
I know life isn't easy, baby, I just wanna help
Rest in peace to the old me, I'll see you in hell
Rest in peace to the old me, I'll see you in hell
There's something in the air, baby, do you feel it?
Bottles up in the air, baby, it's the weekend
I know life isn't fair, but tonight let's just pretend
I know life isn't fair, but tonight let's just pretend

Let's just pretend like it's okay
At least just for tonight
Baby, you don't have to behave
You look so bad tonight
Pretty face and a skinny waist
She got me hypnotized
Let's get high, girl, let's levitate
Like two stars in the sky

Rest in peace to the old me, I'll see you in hell (I'll see you in hell, I'll
see you in hell)
Rest in peace to the old me, I'll see you in hell (Rest in peace, rest in pe
ace)
Rest in peace to the old me, I'll see you in hell (I'll see you in hell)
Rest in peace to the old me, I'll see you in hell
