

Shame

Lil Tracy

Neilaworld

I got a lot of tattoos and a lot of cash too
And my car brand new, skrrt skrrt, vroom vroom

I got a lot of tattoos and a lot of cash too
And my car brand new, skrrt skrrt, vroom vroom
Bad bitch with a bad attitude
Her best friends bad too, what's 1 plus 2
People talking shit about me and it's really a shame
They don't wanna see you see win, when you're in first place
I'm insane, girl I know that's your taste
Diamond chain, matching my diamond ring

I see a ghost like every other day
And when I die you'll see me the same way
I got tattoos all across my face, you really think I give a fuck about what
you think
I got a first class flight tonight
I'm gonna make things right tonight
I can't cry and I don't know why
And even if I tried, my soul is dry
And I know you wanna die girl and I know why
I swear that I wanna die too
I wanna die too

I got a lot of tattoos and a lot of cash too
And my car brand new, skrrt skrrt, vroom vroom
Bad bitch with a bad attitude
Her best friends bad too, what's 1 plus 2
People talking shit about me and it's really a shame
They don't wanna see you see win, when you're in first place
I'm insane, girl I know that's your taste
Diamond chain, matching my diamond ring
I'm insane, girl I know that's your taste
Diamond chain, matching my diamond ring

I wanna sell my soul but I really don't have one
I might take yours just to say that I have one
20, 000 dollars just for me to perform
I'm the only vampire with a sold out tour
He wanna be me but that can never be
The only time you could be me is on halloween
I got your bitch on a leash
I took it off but she still won't leave

I'm too turnt up, baby I can't steer
Take the wheel and drive me crazy
Don't be scared girl face your fears
Treat me like a Mercedes

I got a lot of tattoos and a lot of cash too
And my car brand new, skrrt skrrt, vroom vroom
Bad bitch with a bad attitude
Her best friends bad too, what's 1 plus 2
