My bitch suckin' dick, but my girl eatin' sushi

I love my girl, great conversations and better sex

All the drugs make it better, yet she ask me if I'm loyal so I
tell her yes, but

No question, I be fuckin' these hoes (these hoes)

It's Yung Bruh, I got weed on me

It's no question, I be puffin' this dro (okay)

It's Yung Bruh, smoking weed, sippin' lean

So, girl my puffin' is slow

It's Yung Bruh, tried lovin' it wasn't for me, now these bitche
s come and they go

She don't fuck with Gucci

Yeah (yeah)

But she more about the shroomies
