

## Tattoos

Lil Tracy

Kiss the tattoos on my neck, baby, tell me that you love me  
Pick you up in a Ferrari, fuck you in the front seat  
Don't judge me, just trust me  
Let me know your secrets, I'm a diary

Voices in my head, but I can't understand them (I can't underst  
and them)  
I'm gettin' rich, I'ma die in a mansion (I'm gonna die in a man  
sion)  
Tatted on my face, baby, I'm a sinner  
I can't see myself inside the mirror  
My heart is cold, I just wanna make you shiver  
I want this forever like a picture
