Lil Tracy

Yung bruh, Yung Bruh

Shorty, I'ma spend the money on you  
You say you want me, yeah, I want you too  
Shorty kissin' on my tattoos  
It's just me and you under the moon  
Shorty, what it do?  
I got the for me and one for you  
Glisten like the jewels  
I feel like a gemstone when I wear jewels  
Baby, what's up?  
You look cute when you sparkin' up a blunt  
Baby, what it do?  
Gucci purse I got this shit for you  
Bitch, I'm Yung Bruh  
Niggas hate me, I don't give a fuck  
I can fuck they slut  
But I don't want them, you my number one  
It's just me and you under the moon  
I'm trippin' off the shrooms  
In this Mercedes, let's ride around  
Promise that you gonna hold me down
