

Voodoo

Lil Tracy

I'ma take these niggas to Saturn

I know what she wants
She want diamonds (She want diamonds)
She want diamonds (She want diamonds)
She's just like no one
She be stylin'
Without a stylist (Without a stylist, without a stylist)
I don't owe no one (I don't owe no one)
Baby these my racks
Baby these my racks
I Feel like T-Pain, I'm so sprung (I'm so sprung)
Baby I can't hide my love (I can't hide my love)

She got control over me like voodoo (Like voodoo)
This not what I'm used to (What I'm used to)
She got me doing things I never do (I never do)
Girl you my Saturn, put a ring on you (Put a ring on you)
This Mercedes do not have a roof
Don't try to play me cause I know the rules (I know the rules)
If you was in the crowd I would notice you (I would notice you)
Please just hold me down like you supposed to do
And I'd do the same (I'd do the same)
I got you on my brain (I got you on my brain)
I don't care about the fame (Don't care bout the fame)
Because you is my bae (You is my bae)
She get wetter than rain (She get wetter than rain)
Hundred racks in the safe (Hundred racks in the safe)
It's gourmet on the plate (Gourmet on the plate)
I know you want a taste (I know, I know)
She is not a side ho', she's my ho'
Hit it with the lights on, the lights on
Don't care if you're right or wrong, I'll ride for you

I know what she wants
She want diamonds (She want diamonds)
She want diamonds (She want diamonds)
She's just like no one
She be stylin'
Without a stylist (Without a stylist, without a stylist)
I don't owe no one (I don't owe no one)
Baby these my racks
Baby these my racks
I feel like T-Pain, I'm so sprung (I'm so sprung)
Baby I can't hide my love (I can't hide my love)
