Aye Raven

Raven and Tracy, Raven and Tracy

I keep good gas, like I work at the Citgo
Spending racks and I'm living fast, cause I used to be dead broke
Please don't spill nothing on me, my jacket cost a couple of g's
This was manufactured in Paris, Balenciaga sleeves

You might see Raven & Tracy
You might see Raven & Tracy
Hop out the whip going brazy
Lean in my cup got me lazy
Bad lil bitch she tryna rape me
They know I'm up like the weekend
I could see that I got a few reasons
Water on my neck like I fell in the deep end
The way we get to it I know that you seen it
You might see Raven & Tracy
You might see Raven & Tracy

I suck on her tits, I'm a baby
I'm ballin they never gone trade me
All this water on my body I can't breath, I need somebody to save me
Pull up to the club in Mercedes
"Oh my god there go Raven & Tracy"

Evrrytime you see me bet I'm dripping in something different
Pull up then I hop out and them cameras start to flicker
Your bitch wanna come with me, she'll be back in a minute
I don't understand these niggas they speak in gibberish
Yeah, oh aye, watch out
Run it up then we gone walk out
