

YZY

Lil Twist

I wake up "YZY"  
I call up "Breezy"  
My favorite rapper, Wayne  
I was taught by "Weezy"  
Louis V, Van Cleef Me  
Like my hoe wild freaky  
Welcome, to the safari  
Fuck her out her dashiki  
Fuck her to, Sza and RiRi  
Left her panties on TV  
Her booty, big and it's peachy  
Left the floor panels creaking  
No reason!  
'Tis is the season  
In that pussy I'm cheesing  
It's Twizzy F  
The F. for freezing  
Neck froze, got it bleeding

Ohhh I'm hurtful  
Mama said murk you  
Pistol to his neck  
My niggas will Charlie Kirk  
Wait  
The earth shake  
Get did in the worst way  
Wordplay  
The nigga'll be lucky to  
See his birth date  
Heard me?  
Different flavor weeds like sorbet  
I'm rappin' like Cordae  
Ya bitch in my room on all fours  
But never foreplay  
Get left in a sore state  
I orchestrate  
Then turn on more drake  
Then order fish and steak  
We eating great  
Supreme china plates  
She get Anita baked  
The way infiltrate  
It's like I swim in lakes  
In this 2028  
On the interstate  
My white bitch snorting  
Ronald reagh  
And word to Kimmy k bitch!
