

R.I.P. Chico

Lil Uzi Vert

What's up with your homie? (What's up?)
I can't fuck with him (Yeah, no way)
Them lil' bitches know me (Huh?)
Oh, not you again (Whoa)
I can't pull up four deep (What?)
Need room for your friends (Ayy)

I got all types of guns
My block like Pakistan, we got choppers with the drums
I got all types of guns
My block like Pakistan, we got choppers with the drums

(Skrr)
Man, I miss lil' Danny, why it had to be Chico?
I just talked to Stizzy, he said they finito (Yeah, yeah)
Late night watching with the Glocky in my pea coat (Coat, ooh)
Swervo said he rockin' with me, he put that on Vito (2, that's real shit)
Ooh, I put that on dude (Ooh)
One more time for Chico for my bros (One more)
I'ma throw this money and tonight I'm fucking three hoes
They were kinda regular, I tapped out from the deep throat

Uh, what you saying? Uh
Tell me what you saying, uh (What you saying?)
Serving sand, uh
In front of the cam', uh (Serving sand)
Counting bands, huh
On top of the Lamb', huh (On the Lamb')
You's a fan, yeah
We been should've you to put you down, yeah (Damn)
Took a stand, yeah
That boy, he's a cancer (Bitch)
20 bands, yeah
20 get you canceled (Bye-bye)
Swerve that Range, yeah
This is not a Land Rover

(Skrr)
Man, I miss lil' Danny, why it had to be Chico?
I just talked to Stizzy, he said they finito (Yeah, yeah)
Late night watching with the Glocky in my pea coat (Coat, ooh)

Ooh (Ooh)
Ooh (Chico)
Ooh (Ayy, three hoes, ayy, yeah)
Ooh (Oh)
Uh, understand (Understand, woo)
You don't understand, understand (Understand)
What I had to do as a man (As a man)
Just to make it all the way from the land (From the land)
And still able to go to the land (To the land)
I'm still stunned that he really took the stand
But that's okay, we cut his ass off like a branch (Like a branch), ooh
I got all the sauce, don't need no ranch (Don't need no ranch)
MAC-11 got your outfit damped (That's the MAC, yeah)
And my necklace shining like a lamp (Like a lamp)
These niggas don't want it with my team (No, they don't)
Yeah, I texted his girl at 4:03 (1600)
Yeah, I found out he was an O-P-P, ooh (1600, yeah)
Shawty walked past, act like he ain't know me (Ooh)
'Cause he know I had that 30 on my belt (On my belt, 30)
Got them hollow tips so you can't scream for help (No, you can't)
Now you laying all on the floor
You did that for 304
That we don't even own (Ooh)
She fuck with a nigga from way back (Ooh)
That gave her her own (Ooh)
Thousand dollar cologne (Ooh)
Ring, ring, which phone? (Ooh)
I'm so high, I don't know
I'ma show you broke niggas what getting money about ('Bout)
My mansions so big inside, damn near I put a house (House)
Diamonds on my wrist, these shits is wetter than her mouth (How?)
Cause a murder scene, pick up the bullets, now we out (We out)

I got all types of guns
My block like Pakistan, we got choppers with the drums

(Skrr)

They were kinda regular, I tapped out from the deep throat {Uh-huh, yeah}

Remember I walked out my house to a shootout, it was veto (Woo)
This was way before I was toting my pole
But he did the stain, he ain't need me though (Ayy)
2010, ran two, three poles
Me and Lil Marley, them know what we on (What?)
And now I go out field, two, three rolls (Two, three rolls, ayy)
Run up a 50 on two or three shows (Uh-huh)
And my boy Uzi get 80 a show (80 a show, ayy)
So we got all the hoes
Told my jeweler, "Man, I don't wanna see no gold" (Pointers)
I want all of those (Ayy)
And we can't wait for a new opponent
Free smoke, we want all of those (Bah)
50 round drum stay up on us (Us)
Draco, flippin' them car right over (Grra)
I go nuts for my fallen soldiers

First like the Rover, I'm not mobile (Ayy)
Long live [?], ooh, [?] {What?}
Just talked to [?] about Slim the other day
He said, "Wish I was home"
Can't let no fuck nigga see me cry, only when I'm alone (When I'm alone, RIP
my nigga)
Smoke dope when I'm alone
Pray the Lord'll let me go blazin' when he call me home
I ain't seen them Ms, let me go brazy 'fore you call me home
I made a hundred Ms, I been touched the Ms

(Skrr)
Man, I miss lil' Danny, why it had to be Chico?
I just talked to Stizzy, he said they finito (Yeah, yeah)
Late night watching with the Glocky in my pea coat (Coat, ooh)
