Lil Uzi Vert

Hi, how are you doing? I'm Lil Uzi (Brr)
Yeah, huh, fuck with me, your life is ruined (Yeah)
Yeah, uh, hi, how are you doing? (How you doing?)
Yeah, I'm Lil Uzi, huh, fuck with me, your life is ruined (Woah

Yeah, huh, money, pocket big
Perc', Xan', Wock', Rick, Par, huh, right with a cig' (Yeah)
Every time I'm on the molly, I think with my dick
Every time I take the 'shrooms, I gotta take a shit (Huh?)
Every time I see my PO, sober up, but I'll be dead
She suck my- uh, every time I get Percocets
They think I'm the devil, please don't put your heart in it
I do know Jesus, that nigga the carpenter?
Stop wearin' that Arc'teryx, I live on a mountaintop
Got a Canadian, she gave me mental top
If I wasn't on probation, I probably would hand it out (Yeah, y

Perkycet, Perkycet, Perkycet, Perkycet
Perkycet, Perkycet, Perkycet, Perkycet (Yeah)

They say that my lyrics ain't lyricism, I say that you just hat

You try to say I don't got swag, but I look at your shirt, it l
ook like you still in Burberry much (Woah)
