

## 2 Diamonds

Lil' Wayne

Girl, you know  
Girl, you know I fuckin' love you  
That's on God, on his son too  
But you be actin' like it's untrue  
But you be actin'—cut!

Girl, you know I fuckin' love you  
So why you actin' like it's just you?  
Girl, you know we never rumble  
But don't make me get someone to jump you  
'Cause you be actin'  
Actin' funny when your hair fixed  
Actin' funny, I ain't laughin'  
Get your pussy, not your ass kissed

Ooh, but my pool so big, got a yacht in it  
And the yacht so big, got a pool on it  
But the house empty when you not in it  
When I look up at the ceilin', see the roof fallin'  
My world so big but it stop spinnin'  
My tears so big, it's a tsunami  
Her pussy so good, got me short winded  
So bad to me, so good for me  
Pool so big, got a yacht in it  
Yacht so big, got a pool on it  
This house is not a home when you not in it  
Got a new bitch with me, she just spot fillin'  
World so big but it stop spinnin'  
Tears so big it's a tsunami  
Pussy so tight, I get locked in it  
Leave the lights on, we look like two diamonds, yeah

But we don't even talk no more (No)  
We run outta words to say  
We don't even joke no more  
We run outta games to play  
We don't make love no more  
And when we do, it's not the same way  
It's not the same way

Girl, you know I fuckin' love you  
On God, on his son too  
You be actin' like it's untrue  
You be actin', cut  
Girl, you know I fuckin' love you  
Why you actin' like it's just you?  
Don't make me get someone to come through  
Tie you up and make 'em fuck you, yeah  
Ooh, yeah  
Actin' funny when your hair fixed  
Actin' funny, I ain't laugh, bitch  
You, get your pussy, not your ass kissed, oh

Pool so big, got a yacht in it  
Yacht so big, got a pool on it  
House empty when you not in it  
Look up at the ceilin', see the roof fallin'

My world so big but it stop spinnin'  
Ask her what it is, she say, "You callin'"  
Pussy so good, I get short winded  
So bad to me, so good for me  
Pool so big, got a yacht in it  
Yacht so big, got a pool on it  
House not a home when you're not in it  
Got a new bitch with me, she just spot fillin'  
World so big but it stop spinnin'  
Tears so big like a tsunami  
Sweet as moonshine, got the moon shinin'  
Leave the lights on, we like two diamonds, yeah

Bling, bling
