

## 2 Hot For TV

Lil' Wayne

Baby, this dedicated to you  
'Cause you make it look so good  
So easy

She said, "I love you Tunechi"  
I said I love me too  
She said, "Can I come through Tunechi?"  
Bitch, come through, we through  
And I'ma go plum dumb in it  
And we all need fruit  
She said, "Babe, you so crazy and I'm your crazy glue"

Because you make it look good, make it look easy  
I never come down, I'm too high to see me, hold on  
I make it look good, I make it look easy, yeah  
I never cool down, I'm too hot for TV, hold on  
She make it look good, she make it look easy, yeah  
She never come down, she never come easy, no  
We make it look good, we make it look easy, yeah  
We never cool down, we too hot for TV

Cut all my exes off, higher than cholesterol  
Tried to play professor and the bitch take a semester off  
Wishing on a superstar, trippy life is too bizarre  
Quickie in my roofless car, bust a nut and blew the horn  
When she snort this Louis Vuitton and she keep the new ones on  
Life in living color, she the one I spend them blue ones on  
And it's right where you belong, girl, he make you Uber home  
When he calls she threw the phone, I just cut the music on  
Waiting for some Dominos, listenin' to some Commodores  
Acting like some carnivores, after that we comatose  
I ain't tryna bullshit my baby and she know better  
Told her, more money, more problems, and the more the better

She said, "I love you Tunechi"  
I said I love me too  
She said, "What you up to, Tunechi?"  
I said, "That's up to you"  
She said, "I don't want much Tunechi"  
I said, "And you'll need two"  
She said, "Babe, you so crazy and I'm your crazy glue"

Because you make it look good, make it look easy  
I never come down, I'm too high to see me, hold on  
I make it look good, I make it look easy, yeah  
I never cool down, I'm too hot for TV, hold on  
She make it look good, she make it look easy, yeah  
She never come down, she never come easy, no  
We make it look good, we make it look easy, yeah  
We never cool down, we too hot for TV, hold on

Your ex, he so petty, fast food to her veggie  
Gas you when I let it, I had tune you, let her, yeah  
Now you're too hot for TV, but I tell you don't sweat it  
Don't axe 'em, trim them edges  
I treat that bush like Reggie, yeah  
But I don't smoke no Reggie

I give her Coke, no Pepsi  
And her best friend a lesbian  
And I want more affection, yeah  
Been fucking on the legend  
Michael Jackson, Jessie  
Lil Tunechi, Elvis Presley  
Hendrix, Future, past and present, yeah  
I'm too hot for TV, too high for my exes  
Been ready to triple x's  
Too much drugs, sex, and weapons, yeah  
And I'm too high to see me, diamonds shine in 3D  
No Fugazi, just Cici  
Y'all boys really PG, damn

I make it look good, I make it look easy  
I get it from Weezy, been too hot for TV  
She said I love you Tweezy, I said I love me too  
Now bring that big ass over here and come do what we do  
She pull up on the kid, she suck my dick and try to kiss it  
I told her, "Hold it", call her friends, if they ain't fucking, can't get in  
I fuck her on the kitchen counter, drop my kids off on that genitalia  
Face down, ass up, I wear it out like a new trend, oh shit  
Lil Twitch, drop a four, four, four  
Fuckin' crack down on her act, I'm sippin' slow, slow, slow, yeah  
I'm a lil freak on my camera shit  
I got that Hannah Montana, bitch  
Pull out my dick, can you handle it?  
Then

She said, "I love you, baby"  
I said I love me too  
She said, "Can I come through, baby?"  
Bitch, come through, we through  
I'ma go bananas in it  
You know we all need fruit  
She said, "Babe, you so crazy and I'm your crazy glue"

Because you make it look good, make it look easy, yeah  
I never come down, I'm too hot to see me, hold on  
Make it look good, make it look easy, yeah  
I never cool down, I'm too hot for TV, hold on  
She make it look good, yeah, she make it look easy, yeah  
She never come down, she never come easy, no  
We make it look good, we make it look easy, yeah  
We never cool down

Don't them niggas look good?  
Don't them niggas look easy?  
I could never come down  
I could never come down, no  
Don't she make it look good?  
Then she never come easy, no  
We could never cool down  
Too hot for TV, yeah  
That's some sick shit

Skateboarding these days is going awesome. Umm, new tricks I've landed. Umm, y'all don't really know nothing about that shit. When I say "y'all", umm, I don't mean none of my fans, I don't mean people who don't skate, I don't mean people who do skate. It's just a lil, you know what I mean, it's a skate thing. You run into a skater, he, he or she, they'll run into ya and let you know what I mean. We always think that y'all don't know what the fuck we talking about. But uh, you see how I put myself in that "we", like I'm a real

skater? It's all good though, shout out my skaters!

Umm, yeah, it's going well these days. I'm 'bout to drop a new part. I don't even know if you know what a part is. But I'm about to drop a new part and you'll see the tricks that I've learned. And uhh, when I learn some new ones , I'm not gonna tell you what they are because if I drop another part, then I already told you what tricks I learned. You gon' be waiting to see them sh its. So, you know, now that go. You run into a skater there
