

Amazing Amy

Lil' Wayne

Whoa, I'm in love with that ho bro

She crazy as fuck but she sexy as fuck
And she just hit me up, she text me "let's fuck"
I'm just waking up but fuck it I'm up
Ooh! I'm on my way (where?)
Get out my way bump-bump-bump-bump
I'm Norman Bates and this bitch ain't normal, our kids gon be nuts
But when I had the yay
And the police would come she wouldn't give me up
She knew what not to say
And when they would leave, she gave me heads up
Lord I feel like Plies, that's my lil' baby
But that bitch so crazy
That bitch gon kill me, and then she'll be famous, that'll be crazy
Amazing Amy, amazing Amy, my bitch so crazy
But that's my bitch though, I must be crazier, she must be schizo
Fuck it, I love her, fuck it, I love her, don't fuck with my lover
Boy I'll put you under
Her last nigga shunned her, she ride me like Honda
Amazing Amy, amazing Amy, that bitch so crazy
That bitch gon' kill me, then she'll be famous
That's what's amazing
But I'm in love with that ho though
Even though she loco
That pussy got me bozo

Amazing Amy, amazing Amy, my bitch so crazy
That bitch gon' kill me, then she'll be famous

That bitch gon kill me, that'll be crazy
But that's what's amazing, that's my lil' baby

And this that Sorry 4 The Wait, Amy
And I'm so sorry for the wait, Amy...

She told me wait on it
I told her she gon have to put a date on it
You already let Tunechi skate on it
My hook in the water, lil' mama, she bait on it
Damn, I mean she bite on it
Kawasaki she can ride on it
She too good for me like some vitamins
She swallowed the dick like a Heineken
I love her she came with a frying pan
Her mama black, her daddy from Japan
So amazing she deserve a Birkin bag
She so crazy she gonna take all of my cash
She in love with my money
And I am so crazy I'm gonna keep spending blue hunnids
And for the jabronis
Waiting for Migos and Wayne to fall off
Nigga you can wait on it

Choppa like Tony watch how I do my opponent
Wait on my moment I beat it I own it
Keep that thang on me you won't catch me lonely
She wanna suck and fuck and put it on me
She plotting on me trynna get some money
Had to cut her cause the millions coming
Run off with the work, started trappin dummies
Caucasian, Black and Asian you amazing
We poppin' them seals we not in the Navy
We won't take a deal cause we got the paper
That people hate it, we still nominated
Young Rich Niggas yeah we graduated
I got bitches in the kitchen cookin' Sarah Palin
Smoking up the gas bag you can smell the fragrance
Got me buying handbags, man this bitch is crazy

Amazing Amy
Amy wanna have my baby
(Nah) she been patiently waiting
Waitin' for me to get famous
Want me to buy her Mercedes
I thumb through the check then I looked at her crazy
I'm focused on the M&M's
You want Benjamin Franklins you gotta have patience
