Lil' Wayne

(I'll buy a car before I tell the bitch I'm sorry)

I'm sorry, I'm not sorry, I'm too gnarly for your shit, bitch  
I'ma make you go from calamari back to fishsticks  
They put you in a whole new category when you this rich  
I tried to tell that bitch this, every time that bitch bitch (Wheezy outta here)  
Told her not to nitpick, told her I'm too lit-lit  
Told her I got hoes tryna photobomb my dick pics  
Don't show your mom my dick pic  
Told you I was big shit, wipe a nigga nose, sniff-sniff  
Bloody clothes, it's drip-drip  
Silence on the Uzi, make that bitch go zip-zip  
I'm fire, you just flick-flick, I put diamonds on her Fitbit  
Family over clique shit, it's big Bs, we say blick shit  
My blick big as my bitch hips, it go, "Yah-yah," like a big ship  
I'm heartless, nigga, your shit skips, start barkin', nigga, you get bit  
Weezy, baby, I'm out of here and I'm right inside your bitch lips  
Family over conflict, family over nonsense  
Family on some opp shit, kill a nigga over five cents

Family the only thing I love (Family all I got, bitch)  
Half a million 'cause my AP gold, gold, gold  
Fuck it, might as well go and sell my soul (Yeah)  
I can never fold (Why?), I'm the big dog (Yeah-yeah)  
I chose up on my bitch and now she love me (She love)  
She was slowly drippin' messy, but so saucy  
Ferrari stroller for my kids, you'll do no walkin' (Yeah)  
I'll buy a car before I tell the bitch I'm sorry

I take it far before I tell a bitch she for me (I'm sorry)  
I break her heart before I let her hear my heartbeat (My heartbeat)  
Get a pile of lies before I apologize  
I'm thankin' God 'cause I'm too rich to compromise  
I'm in the sky and I'm too lifted, body high  
In my garage is vehicle homicide  
They put you in a whole new category when you this rich  
Family the only thing I love, love, love

Family the only thing I love (Love, love, love)  
Half a million 'cause my AP gold, gold, gold (Half a million)  
Fuck it, might as well go and sell my soul (Yeah, soul)  
I can never fold (Why?), I'm the big dog (Big dog, yeah-yeah)  
I chose up on my bitch and now she love me (She love)  
She was slowly drippin' messy, but so saucy (Love, sauce)  
Ferrari stroller for my kids, you'll do no walkin' (Yeah)
