

Comfortable

Lil' Wayne

I'm not saying this to shake you up saying
I'm just saying this to wake you up saying
It's all good when we're making love
All I ask is don't take our love for granted,
'Cause granted my love for you is real
If you don't love me, somebody else will
Baby girl don't you ever get too comfortable (comfortable)

To the left, to the left
If you wanna leave, be my guest you can step
Feeling irreplaceable listening to Beyoncé
Well okay I put you out on your B'Day
Hey, now if you're rocking with Weezy
Bedroom in the bank baby we safe
I got game like EA
But I wanna let you play
And don't I treat you like soufflé
Don't I look at you like I see a new day
And don't I do what I do say
I'm through talking
So I'mma let you 'face
And let 'Ye do 'Ye

I'm not saying this to shake you up saying
I'm just saying this to wake you up saying
It's all good when we're making love
All I ask is don't take our love for granted,
'Cause granted my love for you is real
If you don't love me, somebody else will
Baby girl don't you ever get too comfortable (comfortable)

Yeah, let me catch my breath
Talking 'bout leaving, and you ain't gone yet
And if you leave, leave correct
And I'mma send a jet to pick up the next
And if you leave, you're leaving the best
So you will have to settle for less
And I am no Elliot Ness
I don't handcuff, I don't arrest
I do confess to the murder scene
'Cause under the sheets I am a mess
Yes, baby you're blessed
Now just don't jump your nest, come on

I'm not saying this to shake you up saying
I'm just saying this to wake you up saying
It's all good when we're making love
All I ask is don't take our love for granted,
'Cause granted my love for you is real
If you don't love me, somebody else will
Baby girl don't you ever get too comfortable (comfortable)

Yeah, it's no sweat, no sweat
I would never 1, 2, 3, forget about you,
Your love, your sex
You know I work you out like Bowflex
Our jokes no stress

Love, live life, proceed, progress
Make sure the neighbours get no rest
We can get together never disconnect
Your back your neck
Funny how that song haven't got old yet to us,
So let's project
You stay in, never incorrect
'Face

I'm not saying this to shake you up saying
I'm just saying this to wake you up saying
It's all good when we're making love
All I ask is don't take our love for granted,
'Cause granted my love for you is real
If you don't love me, somebody else will
Baby girl don't you ever get too comfortable (comfortable)
