

# Cool Outrageous Lovers

Lil' Wayne

I'm looking for the right woman to give my last name.  
I wanna a big wedding with all the expensive rings,  
Huge ice sculptures spelling out yo name, white doves flying,  
Tears without the pain.  
I'm standing at the alter you walking down the lane  
The whole church crying while the choir sing.  
75 thousand dresses expensive champagne  
I'm just playing baby  
This is the year of the lover

Now I can put your ass out, ohhh  
Keep running your mouth  
And if yo brothers come trippin ima show em wat dese teardrops bout  
Shawty I was just playing  
Ohh but I can take you to the Caymen... islands  
Have you screamin' and hollerin'  
We gone be making... Love on the beach  
The people see what we doin  
Awww they pointin' and oooo'in  
Ohh but we gone keep on doing... it  
Like it's just me and you and no one else around  
It went down on the balcony,  
And her legs are open how Sweet,  
Shawty like a model out da Penthouse Sheets,  
That's why I got her on my Penthouse Sheets.

So, I typed a text to a girl I used to see  
Sayin that I chose this cutie pie with whom I wanna be  
And I apologize if this message gets you down  
Then I CC'd every girl that I'd see see round town and  
I hate to see y'all frown but I'd rather see her smiling  
Wetness all around me, true, but I'm no island  
Peninsula maybe, makes no sense I know, crazy  
Give up all this pussy cat thats in my lap no lookin back  
Spaceships dont come equipped with rearview mirrors  
They dip as quick as they can  
The atmosphere is now ripped  
Im so like a Pip, Im glad its night  
So the light from the sun would not burn me on my bum  
When I shoot the moon high, jump the broom  
Like a premie out the womb  
My partner yellin "Too soon! Dont do it! Reconsider!  
Read some litera - ture on the subject  
You sure? Fuck it  
You know we got your back like chiroprac - tic  
If that bitch do you dirty  
we'll wipe her ass out as in detergent  
Now hurry hurry, go on to the altar  
I know you aint a pimp but pimp remember what I taught ya  
Keep your heart 3 stacks, keep your heart  
Aye, keep your heart 3 stacks, keep your heart  
Man, these girls is smart, 3 stacks, these girls is smart  
Play your part

Are we living in a dream world?  
Are your eyes still green girl?  
I know your sick and tired of arguing

But you can't keep it bottled in  
Jealousy, we got to swallow it  
Your heart and mind baby follow it  
Smile, happiness you could model it  
And when you feel opposite  
I just want you to know  
Your whole being is beautiful  
Im going to do the best I can do  
Cause I'm the best when I'm with you  
You help me to discovery me  
I just want you to put trust in me  
I kind of laugh when you cuss at me  
The aftermath is you touching me  
It's destiny to we connected girl  
You and I we can affect the world  
I'm tired of the fast lane  
I want you to have my last name
