

## Dedication Convo

Lil' Wayne

It's everybody man  
Everybody cross the Grove, everybody cross the Grove  
You already knew, man  
If you don't know what I'm saying  
Then play this shit back, 'cause I don't know what I'm saying  
But this is a dedication to the streets  
The gangstas, the hood, the fallen soldiers  
The down-ass chicks and the people in the slums  
Young Money, muh'fucka (dedication to my Mom)  
You understand me?  
Dedication to our family  
That was coming, you see how I spit  
And we are Young Money, man  
This is a dedication, people  
It's gangsta grills, you motherfuckers  
Understand that, and who I am?  
I am Young Wayne, but now you can call me  
This is "Tha Carter," people
