

# Drowning

Lil' Wayne

A Dedication

Rest in peace Fredo Santana  
(Say that she used to be a lifeguard)

So much fake love, I been drowning, drowning  
Pop me a perc, in my zone and it's timeless, timeless  
I've been so hot, tell a nigga come find me  
Been at the bottom, look down and I bet you gon' see diamonds  
So much fake love, I been drowning, drowning  
Pop me a perc, in my zone and it's timeless, timeless  
I've been so hot, tell a nigga come find me  
Been at the bottom, look down and I bet you gon' see diamonds

Don't ask me for shit but this blunt or this dick  
Fake love in the air, love bugs turn to ticks  
That's more than enough, Pink Floyd in the cup  
Burr, I always pick up, 'less she callin' my bluffs  
Smell it, like it, buy it, light it, hit it  
Mix it with some molly now we gettin' scientific  
Bought another house just to put more pots to piss in  
Bitches got they hands out, I shake it like we just did business  
This just business, wait  
Oh my God, I'm drowning in her kidneys, she like (ooh)  
I just listen and the higher notes she hit it  
I know I sound like a grizzly and the cocaine look like crystals  
That's that white girl, call her Chrissy, hol' up, listen, see  
You fuck it all up  
You put that wall up  
You feelin' yourself, but I can't hate  
'Cause you got that soft touch, okay  
You standin' in rain and driftin' it  
You lookin' for change but penny pinch  
You swallow your pride, I'm sippin' it  
You drown in your tears, I swim in 'em  
6 shit

So much fake love, I been drowning, drowning  
Pop me a perc, in my zone and it's timeless, timeless  
I've been so hot, tell a nigga come find me  
Been at the bottom, look down and I bet you gon' see diamonds  
So much fake love, I been drowning, drowning  
Pop me a perc, in my zone and it's timeless, timeless  
I've been so hot, tell a nigga come find me  
Been at the bottom, look down and I bet you gon' see diamonds

I'm off the codeine refill my cup  
Robotic coupe while I'm pullin' up  
Was feelin' down so I spiked my cup  
Was in need of you so I hit you up  
Hollywood, I'm in a loft  
Catch a plane, Randy Moss  
Bag 'em up, ship 'em off  
Fuck the law, what's the cost?  
Please don't be [?] on me, ooh get the snakes on me  
Been "What's the cost?" Get 'em in, get 'em off  
Pop a perc I take off  
Got a bitch [?], then she claim she from Mars

That bitch a liar, though  
Say she a rider, bro  
Say that she also a model, bro  
Say that she used to be a lifeguard, savin' you  
You don't see me drownin' hoe

Marley don't shoot 'em, but I still keep a chopper on me  
Trap in silence, if they want you know that I'm a- (ooh)  
Niggas hatin', debatin', don't wanna see me prosper  
My flow is ill as fuck, niggas better call a doctor  
Over when the fat lady sing done sing like an opera  
Back in the G, I was flippin', runnin' through the projects  
In the backyard with Tune ballin' in a pair of Balmain's  
Last time I bought my bitches, I swear I love 'em all, mane  
I be high as fuck, I be fly as fuck  
My bitches is nasty, fuckin' her from the back, she callin' me daddy  
With two in Miami, all for the family, do it for granny  
I go with my move, nothin' to prove  
Droppin' Choos, wearin' jewels  
Couple thou' on the shoes  
Shawty wet like a pool  
Bitches see me and they drool  
We don't [?]  
YM, never lose  
It's my time, no snooze  
It's my time, no snooze  
YM, never lose, yeah

So much fake love, I been drowning, drowning  
Pop me a perc, in my zone and it's timeless, timeless  
I've been so hot, tell a nigga come find me  
Been at the bottom, look down and I bet you gon' see diamonds

The craziest place I've ever seen a Lil Wayne tattoo on someone is... you ready? So, I'm 'bout to explain it, um... inside the lips of their pussy. Um, that's just the craziest place. So like, even when you see the pussy, she can show any man her pussy, he won't see it. She has to literally open her pussy up for you to see the name. Shout out- shout my homegirl, that's my homegirl, one time for her. I love you, girl. What's the craziest place I haven't seen a Lil Wayne tattoo is when people come up to me and say "You know I got your name on me, but, like, I can't show you right now 'cause I'm in work, " or, "I can't show you right now 'cause," whatever. You ain't got my fuckin' name on you, shut the fuck up
