

Forever

Lil' Wayne

Forever, Forever

Str8 up gangsta,hollygrove gangsta
lay a nigga down in pink stuff
them soft ass dudes just think
tough we shooting put them shanks up
we just tryin to live till summer
and put them mincs up im
sync up in the cope the eyes chenk up
pull up on a bitch with the light
that night linked up
whole lotta shit in the life
as young boss but
that vvs ice will bite ya
face off yea i ignite
and take off now catch
up im the best doing it come on niggas
fess up nigga feel different he can chest
up guess what i bring to
his chest to his right lung and left lung
nigga get a check up nigga put ya check up
i swear im on fire need
water like a hiccop
so i guess i can might as well say that im
the best today and

Forever, Forever

Candy paint T im ridin the peppermint
even my leather got my leather
trim im rollin up the element
i shutin em in the trunk like a elephant
bet u remember it like elephant
I got this rap bottle up like medicine
whose better than,fuck him
i prolly fuck her and whats new
and if u hating on us yea fuck u
and if them bitches what to fuck us
we wanna fuck to
what up conicedence and we cause
acidents not incidents
im big shit their inciwince
their not even a letter in my
sentences sitting in my
cope on 20 inch
so it's like im fencing bitch i
will stunt

Forever (so stop being defensive bitch imma lit this bitch im in this shit)
Forever (Now end this shit!)
