

## Living Legend (Interlude)

Lil' Wayne

What's poppin'? Whaddup 5?  
The problem with me is I believe in you too much  
Whoo! Ya heard me? We in this bitch  
Uh.. I don't really consider myself a living legend  
Because uh... Sometimes legends aren't true  
So... And sometimes I don't even feel like I'm living  
So... To answer the question about what it is to be a living legend  
Uh! Honestly I wouldn't know  
But what it is to be Lil Wayne; it's amazin' it's awesome  
I wouldn't give it up for the world  
Ya dig?
