

Main Things

Lil' Wayne

You see?

The goal is just to raise the babies right

Wayne babies, that is

You guys are maturing so much!

[Lil Wayne:] Yeah, yeah, yeah, yeah

[DJ Drama:] It's crazy how you look like your dad

[Lil Wayne:] Yeah, yeah, yeah, yeah

[DJ Drama:] Tunechi, I must say, job well done

Yeah

And I just told my main thing "Since you my main thing

You can turn yo' phone off and let your name ring"

6 shit

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah

I just told my main thing "Since you my main thing"

DJ Drama

Bitch I won the race

All I ever wanted was to tell her she was all I ever wanted

Wake up to her every morning, last night we can't recall it

Every day she catchin' feelings, every night I throw a party

She done died and went to heaven, I forgot to close the coffin

I'm just lookin' for lil' sexy to direct me from the horror

They ain't promisin' tomorrow but she promisin' she loyal

So I promise to be faithful

Yeah, Lil Weezy F for faithful, funky, freaky, freshly flavor

Flawless, fleek, finesse, finagle

I just tell my main ting "Since you my main ting

You can turn your phone off and let your name ring

We can take them clothes off and let that thing breathe

Hold me as I doze off, you know I drank lean"

I just put a whole deuce inside a 16

Cried my whole heart out, she cried with me

She like to put the top down and tell me "Let 'em see"

She like to keep the doors up, they look like referees

She like to throw it back until she got back pains

She got her own little special contact name

She take it in the ass, ain't worryin' 'bout the crack game

Me, her, plus another bitch, she don't care if the math change

Yeah, I just put a whole deuce inside a 16

Got her reppin' suwoo, she reppin' big Bs

And she ain't worried 'bout fuckin' on a private plane

And she don't do the phone thing, she do the finer things

It's all about deserving things and not designer things

She all about the certain ring and not all kind of rings

All about the shirt things and not the shiny things

Man, she so tired of swervin' niggas, need a tire chain

All I ever wanted was to tell her she's was all I ever wanted

Wake up to her every morning, last night we can't recall it

She lay down and close her eyes, fall asleep open hearted

She done died and went to heaven, I forgot to close the coffin

I'm just lookin' for lil' sexy to direct me from the sorrow

They ain't promisin' tomorrow but she promise to be loyal
So I promise to be faithful, but I'm prolly not gon' chase you
Sit down on my dinner table, eat that pussy like it's catered

I just tell my main ting "Since you my main ting
You can turn your phone off and let your name ring
You can scratch yo' goals off and you can thank me
Hold me as I doze off, you know I drank lean"
I just told my main thing "Since you my main thing
Let them have the fame thing 'cause it's the same thing
You can take them clothes off and let that thang breathe
Hold me as I doze off, you know I drank lean"

I just poured a whole deuce inside a 16
Yeah she reppin' two countries, yeah she mixed breed
Got her smokin' rapper weed, tryna spit Vs
She been gone 30 minutes, she just switched knees
Pimpin' ain't easy but it's necessary
Pimpin' ain't dead, check the cemetery
If I tell you that I love you, I ain't lying girl
So worry 'bout yourself and not the other bitch I'm tellin'

All I ever wanted was to tell her she was all I ever wanted
Wake up to her every morning, last night was all recorded
Every day she catchin' feelings, every night I throw a party
That's that "Fire and Desire", I forgot to throw her water
I'm just lookin' for lil' sexy to direct me from the horror
They ain't promisin' tomorrow but she promise that she loyal
So I promise to be faithful
Yeah, Lil Weezy F for faithful, funky, freaky, freshly flavor
Flawless, fleek, finesse, finagle and fatal
