

# No New Bitches

Lil' Wayne

(Wheezy outta here)

I can't believe you just swallowed a family  
You tell me that pussy is my property  
But I'm 'bout to leave it with property damage  
And please do not go fuck the opp if I vanish  
She sleep in my robe, that Versace, that's fancy  
I'm sweet in her throat, her esophagus candy  
Treat me like Mentos, got me jolly as ranchers

Girl, I got news for you  
That man can't do what I do for you  
I keep control on cruise so cool for you  
Keep these hoes on snooze, no snooze button  
I keep my focus on you, do the moves for me  
Move with it  
I get lost in it like a new city  
Leave your drawers with me like a souvenir  
I went long in it ain't no two minutes  
I'ma ball in it, I'ma hoop in it

I don't talk shit, I keep it two pennies  
I don't want shit unless you give it  
No new bitches unless you kiss 'em  
No-no new bitches unless you kiss 'em  
No new bitches unless you kiss 'em  
If I don't know shit, I know what to do with it  
Lil mama you the shit, number two with it

I can't believe you just swallowed a family  
You tell me that pussy is my property  
But I'm 'bout to leave it with property damage  
And please do not go fuck the opp if I vanish  
She sleep in my robe, that Versace, that's fancy  
I'm sweet in her throat, her esophagus candy  
Treat me like Mentos, got me jolly as ranchers

Pop that pussy for a real nigga  
I'ma pop that pussy like a pill, nigga  
Tylenol PM, Advil, nigga  
Make her drop that pussy like a spill, nigga  
And I'ma mop that pussy like it spilled, nigga  
And I'ma cop that pussy like the steal, nigga  
And I'ma rock that pussy like a lil nigga  
And I'ma shock that pussy 'cause I'm ill, nigga (Wheezy outta here)  
Make the pussy lips whisper in my ear, nigga  
Making fuck faces ugly like Seal, nigga  
Got a rubber on like a Richard Mille, nigga  
Make her pop that pussy like a hair trigger  
Bop-bop-bop that pussy like a snare, nigga  
Got her legs bust open in the chair, nigga  
Pussy so pink it look medium rare, nigga

I don't talk shit, I keep it two pennies  
I don't want shit unless you give it  
No new bitches unless you kiss 'em  
No-no new bitches unless you kiss 'em

No new bitches unless you kiss 'em  
If I don't know shit, I know what to do with it  
Lil mama you the shit, number two with it
