Legendary like Bob Marley

You wan' know what that be like? Well, curiosity kills
Send chills up my trigga finger, blast tha dummy
'Specially if it's a drought, I got ta have tha money
Take tha hit, even if it's below tha average money
Got to make it through tha week, and feed my family uppy
I'm just a lil' thug, what
Belt-buckle fall down to my cuffs, what
And police don't even matter, they can suck what
Tha price right if I catch ya slippin', nigga, what what.. what

[Mannie Fresh]
Eeh, what, what
What, you got a ..., 'cause of tha threats that you sendin' me?
Lil' boy, I got so much money, I know who killed Kennedy
I hear you tellin' people 'bout tha people you done
But look, everytime I brought me to ya, you all about fun
What made you bring a knife to a gun fight... now that's not right!
Why your bitch-ass even showed up tonight?
Nigga, we use ta kick it like Tai Bo
I don't know.. what made you go sideshow, turn jive whore
Kickin', trifling, dirty, and low
We use ta split chicken.. ride ta Texas and back
I drive tha rental car while you drive tha Cadillac
Shakin' like a pair of hot dice
Doin' 55, duckin' feds, law enforcement, and police
Niggas turn like fake gold.. sell they soul
Treat'cha like Chicago in tha winter: ice cold!
9-karat 44's, and Calicos
Keep a clean nose

And tight Teflon bullet-proof clothes

Nobody burn them blocks like-a we ((B.G.) What? What?)
Nobody bust (Stop!) them heads like-a we (What? What?)
Nobody could (Stop!) outshine (Stop!) we (What?)
Tha whole CMR (What?), CMR (What?) family (What?) ((Pap.) Uh-huhh!)

Nobody burn them blocks (Stop!) like-a we (Stop!) ((Pap.) nawww)
((B.G.) What? What?)

Nigga outta line, get smoked
I don't kidd, or joke
Fuckin' with my B.G., off top I'm goin' broke
I don't play with these niggas
I get.. low down and dirty
And have niggas' brains coverin' tha ground
I'm tha number-one stunter, you don't want my trouble
I'll have four niggas in your hood in my hummer
I'm from back in tha game, but ain't a damn thing change

Ya get a whole thing for ten, nigga, tha price tha same

My money long, but it don't run with tha airport
I just bought a Hotel Cash Money Resort
Hos love my grill, hos love my crib

These hos just love tha way that.. Baby live

But I'm a thug-ass nigga, arms full of some taps
Got a Cash Money Millionaires 'cross my back
You don't want funk with me.. I don't think you do, nigga

We'll put ten-a-piece on your whole crew

What!
