Need some water, I'ma pop me a blue dolphin, that's for Nip
And I can't go without the sip, bitch, I've been sippin' since Lil Flip
Dosing off inside my bitch, so, nigga, I woke up like this

Pigs fly over here, get shot down and fried over here
Pigs get fed, hogs get slaughtered everyday that's law and order
Stick his head in boiling water
Leave eighteen holes on his corner, now I'm golfing
