Ayy, ayy, crib in Calabasas
Heard I live close by Iggy, I could send her some azaleas
Smoke fatties full of Cali with a baddie out the Valley
I fuck that lil' ho raw, she tell me I got that raw talent, okay
All eyes on me like I'm the new Makaveli
All my friends dead, rest in peace Matthew Perry
My lil' bae from Bel-Air, my lil' brodie, he from Brompton
Smokin' Gary Payton, on that glove like I'm Cochran
Hoes ain't hid in hills, they was hidden 'til I found them
Got a house on top the hill, I turn that bitch to Magic Mountain
New Alfa Romeo, ride down Rodeo
Top down all day, ho, like, "Hey, ho"

And I'm zoomin' and I'm boomin' like I got a sense of urgency

It ain't trick or nothing, it just ain't the crossroads courtesy
I show up to every game, ain't injured, nothing hurting me
(Zoomin')
