

## Seat Down Low

Lil' Wayne

I like my seat down low and my window slightly  
Cracked riding with a bad hoe and her girlfriend in the back.  
I like to get real high and never look back and you don't wanna  
try me don't  
I look strapped

I come from the hardest city ain't nobody fucking with it  
got a black and gold sole and a fresh new Orleans fitted,  
a colared polo and a pair of bally bucks  
young money motherfucker know you worried about us  
cash money motherfucker C.M.R. I trust  
Never had my jaw broken but his jaw I bust and I  
Probably got you girlfriend on my bus what happened  
On my bus stays on my bus and that white widow  
Weed out the jar is a must if you gimme a cigar than  
A cigar I bust put that white widow weed in the  
Cigar and puff look ma I'm trying to make a prono  
Staring us well not just us a couple foreign sluts  
We could make the summer manal n tralling you all  
And I be with Jim Jones and we be balling balling yeah  
Baby we balling like rawlin and spaldin pint of DJ  
Screw and that Hawaiian I am leaning like a three  
Legged lion climbing right to the top of the motherfucking moun  
tain  
counting I'm gonna need an accountant  
To count it, many got this fucking beat pounding it's  
Pounding but it was just lost until I found it, found it  
Stole it like a scoundrel holly grove hounded put  
This bitch to sleep fucking right I night gowned it  
Niggas talking shit tell them niggas pipe down  
Bitch bloods in the building and every body soundless  
beating up the track like a motherfucking round fist  
Blind, deaf or crazy I will spit like a long kiss  
I am just a martian ain't nobody else on this  
Planet I know see I live by my only where my  
Cheese nigga where my macaroni baby I get up  
In that ass and act a donkey candy on candy nigga  
Griping the grain see I am the only fire that can  
Live in the rain I am so so new Orleans like 1825  
Tulane bitch

See you gotta be from new Orleans to know what fuck I'm talking  
about
