

## Sum 2 Prove

Lil' Wayne

No Ceilings 3, Lil Wayne

She give me head, and I her pick her up, put her legs in the ai  
r, fuck her but don't kiss  
She ain't tryna have babies right now, so she open her mouth, a  
nd she perform abortion  
I got Euros and Pesos and Franks, but if she ask for money, tha  
t bitch speaking foreign  
Overseas acting like it's New Orleans, I be geeking like Swizzy  
in Harvard  
Businessman, I just walked in the conference, busy man, someone  
warm me a coffee  
Trigger man, I just marked me a target, out the mud, finna walk  
on your carpet  
Label played me and made me a monster, Weezy Baby, no Baby, no  
sponsor  
I'ma stand on the scale with a chopper, what that mean? Bitch,  
I'm weighing my options  
She want Lil Dwayne, I fuck her 'til she came, she cum first, s  
he cum second, and, bae, I'm gon' always cum last  
I'ma cum all on your ass, got that shit looking like art on you  
r ass  
I give her an inch, she gon' take the whole nine, her pussy lip  
s grin, I'ma make them hoes smile  
Bust on her titties, her face, and her eyes, I bust a nut to th  
e back of her throat, and it come out her nose like snot  
She say "Do I look crazy?" I say "You look exotic"  
You finna fuck me all day off the molly, I'm finna fuck you all  
night off the drink  
I was all in that pussy, so you know what happened, you catch a  
n orgasm like I catch a case  
Eating that pussy, she squeezing her thighs, I say, "I need som  
e breathing room, can't feel my face"  
Peep all the moves I be making when I'm in that pussy, she gott  
a love when I vibrate  
Watching my rubber, I know if it slip off inside of that pussy  
she gon' try to save it  
All these red flags, now that hoe got rosacea, she on that blac  
k bottle Bumbu, no chaser  
I'm tryna get outta here and go taste it, and give that bitch r  
ight back to you outta flavor, No Ceilings  
Diamonds on deep freeze, ice cubes like Dr. Dre, Eazy  
N.W.A, that New Watch Attitude, got bitches, they ain't got att  
itudes  
I'm missing a whole lot of my screws, but she just want my scre  
wdriver, that's bool with me  
Told her don't screw it up if you screw with me, 'cause, bitch,  
I buss a nut, take my tools then leave, where is my hard head?

Lasagna, linguini, fettuccini, pastrami, panini  
I order a hit like I'm ordering food, and I feel like a fork and a spoon  
Elephant, I just walked in the room, can't forget how to make 'em remember me  
Came in your bitch, told her that's a gift from me, since she all under me like a Christmas tree  
Slippery like designers in Fiji, it's so wet up inside her bikini, it's a water balloon  
I'ma bust the balloon, look like I made her cum a monsoon  
If it ain't, I just jumped in the pool, she say "Put on your life vest and swim in me"  
I said "I'm 'bout to cum", she said, "Gimme me all of this sperm, you bring out the kid in me," gotta be kidding me  
Diamonds on bling-  
bling, ooh, my wrist and my collar, my teeth bling, ooh  
My ring finger shining like E.T., ooh, she sinking behind and beneath me  
Oh, I started from the bottom like seaweed, oh, mentally, physically, literally  
It's a conspiracy, really, 'cause lyrically, y'all can't be serious, seriously  
No Ceilings 3, Mula

Lil Wayne, No Ceilings 3
